

Shake me and save me! Press event

Please join us for a Boston Scientific press event. Protection from sudden cardiac death, just under the skin: the EMBLEM™ Subcutaneous ICD System

SAVE THE DATE: June 23, 2015. Milan, Italy.

Enterprise Hotel
Corso Sempione, 91-93
20149 Milan, Italy

We would like to invite you to our press event on June 23, 2015 dedicated to an innovative, life-saving technology, called EMBLEM™ Subcutaneous ICD System, for those who are at risk of sudden cardiac death.

Sudden cardiac death claims more than 350,000 lives every year in Europe. This event will be an opportunity to hear from key opinion leaders about the therapy and how patients can benefit from subcutaneous implantable defibrillators.

The event will be held during EHRA EUROPACE - CARDIOSTIM 2015, the official congress of the European Heart Rhythm Association, in Milan, Italy.

A pdf-version is also [available](#).
